

RealtorBoss Marketing Plan

Version 1.0

Mission

Position RealtorBoss as the first AI Real Estate Team that helps Realtors close more deals without hiring additional staff.

Core Message:

Hire an AI Real Estate Team. Close More Deals.

Phase 1

Category Creation (First 90 Days)

Goal:

Create awareness.

Validate messaging.

Book demos.

Acquire first 10 customers.

Target Audience:

- Solo Realtors
- New Realtors
- Part-time Realtors
- Small Teams (2-10 agents)
- Chinese-speaking Realtors

Primary Pain Points:

- Missed calls
- Slow lead response
- Poor follow-up
- No transaction coordinator
- Limited budget

Positioning

Do NOT position as:

- CRM
- Marketing Automation
- AI Calling Platform

Position as:

AI Real Estate Team

Message:

Most Realtors can't afford:

- Receptionist
- Inside Sales Agent
- Transaction Coordinator
- Operations Manager

RealtorBoss gives you all four.

Core Offer

AI Receptionist

Answers every call.

AI Sales Assistant

Follows up with every lead.

AI Transaction Assistant

Tracks every transaction.

Boss Assistant

Tells you what to focus on.

Marketing Funnel

Awareness ↓ Interest ↓ Demo ↓ Trial ↓ Customer ↓ Referral

Content Strategy

80% Educational

20% Product

Never lead with software.

Lead with Realtor pain.
